

Solo Violin Wedding Music (see page 2 for special event info)
By Ashley Barnett (owner of Maestros in Training)

Fees: \$250 per wedding. This includes me attending the rehearsal so the wedding party can be introduced to the music they will hear in the ceremony. It also includes 30 minutes of music before the ceremony for your guests' enjoyment, and the ceremony music that you select. You may select any songs that you wish, but there are a few restrictions.

Deposit: A \$25 non-refundable deposit by cash or check is due at the time of registration.

Send deposit to: Ashley Barnett, 3472 Pulaski Hwy, Columbia, TN 38401.

Hours Available: Monday-Saturday, 9am-9pm. Of course, my availability for your event will depend on any prior engagements that I have. These are also the hours that I am available for phone calls/answering emails.

Learning new songs: I will not have a problem learning a new song for your wedding if it is easily something that I can sight-read or learn quickly. However, if it is going to take an hour or more for me to learn, I will charge \$10-\$20 extra per song depending on how much extra practice time it takes. I will give you an estimate of the extra cost before I begin learning the song.

Rehearsal Dinner/Reception: If you would also like rehearsal dinner or reception music performed, there will be a charge of \$150 per hour.

Music Genres: While classical music is my specialty, I also offer other genres such as basic bluegrass/fiddle tunes, Celtic tunes, Showtunes, or even your favorite movie music.

Choosing your music: If you would prefer that I choose the music and only play classical/traditional, that will be fine. However, if you have some favorite songs you would like to request, please send me the names of the pieces and their composers within a week of hiring me for the performance. If you can find the sheet music yourself, please mail it to me within the same timeframe. Of course, if I must buy the pieces myself (i.e. it is something that I don't already own), then the charge for the music will be added to your bill.

Providing a list of wanted songs: Please send me a list of the specific songs (if any) that you want performed as soon as possible, but no later than one (1) month before the performance.

Sample my playing: If you would like to sample my work, there is a link on my website (www.maestrosintraining.com) where you can hear my performance of the Bridal Chorus. While this recording is with piano, I perform as a soloist for these events.

Traveling: If the event takes place outside of the Nashville area, I may still be available for performing, but I may require funds for fuel.

Payment: Payment is due in full, on or before the rehearsal day.

Disclaimer: I reserve the right to refuse service to anyone.
